Our athletic program is built on the same principles that have made LSSC “the” college where our students’ futures soar. Intercollegiate athletics have become an integral part of student life on campus and contributes to the continued excellence of LSSC.

Offering intercollegiate athletics in three sports for both men and women, the LSSC athletic programs compete in women’s volleyball, fast-pitch softball and men’s baseball. The college competes in the Florida College System Activities Association (FCSAA). The FCSAA is governed by the rules of the National Junior College Athletic Association (NJCAA), in which LSSC is a member.
