Our athletic program is built on the same principles that have made LSCC “the” community college of Central Florida. Intercollegiate athletics have become an integral part of student life on campus and contributes to the continued excellence of LSCC.

Offering intercollegiate athletics in three sports for both men and women, the LSCC athletic programs compete in women’s volleyball, fast-pitch softball and men’s baseball. The college competes in the Florida College System Activities Association (FCSAA). The FCSAA is governed by the rules of the National Junior College Athletic Association (NJCAA), in which LSCC is a member.
