SECTION E - SCOPE OF SERVICES

1.0 Scope of Work

Lake-Sumter State College (LSSC) Information Technology, located at 9501 US Highway 441, Williams-Johnson Bldg., Leesburg, FL 34788 is seeking qualified sources to refit of ALL A/V in certain Health-Science's Building, certain Building M rooms, and certain rooms in its Fine Arts building on its Leesburg Campus location. A/V and Multimedia requirements are detailed in this scope of work. The awarded contractor shall be responsible for all parts, labor, and all other associated apparatus necessary to completely install, test and turnover the multimedia systems detailed herein, to Lake-Sumter State College for acceptance. The awarded contractor must be an Extron Authorized Dealer, able to provide the full manufactures product and installation warranty. All cabling will be wire tied, clean, and sources labeled.

2.0 Objectives

2.1 Any necessary structural bracing in the ceiling for the A/V system is required to be installed by the bidder.

2.2 No alternative hardware for noted unit models will be accepted. In regards to wiring, bidders must have their own suspension system using bridle rings or J-Hooks.

2.3 The College shall determine the location of all wall controls and connections for all meeting rooms and classrooms.

2.4 Bidder's installer crews may arrive as early as 7:30 AM, when site is open for business. Bidder's installer crews may stay as late as required. However all lights shall be turned off and the doors will be shut when each work day is completed.

2.5 Bidder's installers may park in designated parking for all work crews. Parking in other areas of the campus is prohibited.

2.6 Bidder is required to provide their own equipment and shall not borrow other work crew’s equipment. Any lifts, ladders or other required equipment are the responsibility of the bidder.

2.7 All necessary cabling needed to connect the multimedia systems must be included to make the system functional. Plenum tie wraps are required. The College will make any necessary cut-outs in lecterns, if required.

3.0 Multimedia Classroom Requirements Year One: The following equipment shall be installed at each of the noted locations.
