SEXUAL PREDATOR OR OFFENDER NOTICE - p. 18

Federal and state laws require a person designated as a sexual predator or offender to register with the Florida Department of Law Enforcement (FDLE). FDLE is then required to provide notification to the local law enforcement agency of where the registrant resides. In accordance with Florida State Statute 775.21 (The Florida Sexual Predators Act) and Florida State Statute 943.0435, convicted sex offenders in Florida must register with the Florida Department of Law Enforcement within 48 hours of establishing permanent or temporary residence. If the registrant is enrolled, employed, or carrying on a vocation at LSSC, FDLE must also provide the local law enforcement agency with that information. The Director of Student Development maintains information on sexual predators or offenders enrolled at LSSC who have been identified to the college by law enforcement agencies.

Any member of the LSSC community who wishes to obtain further information regarding sexual offender/predators in our area may refer to the FDLE website at www.fdle.state.fl.us call 1-888-FL-PREDATOR / 1-888-357-7332, or utilize the FDLE website searchable database at http://offender.fdle.state.fl.us/offender/Search.jsp. The FDLE searchable database may be used to find all registered sex offenders in any city, county or zip code in the state.
