Position Vacancy Announcement

Position: Instructor, Biology
Date: February 18, 2016
Salary: $40,000 - $46,100 Based on Experience
Posting No.: 547
Deadline: March 18, 2016 at 5 p.m.

TO APPLY: Go to www.lssc.edu and click on the “Employment” icon. Complete the Lake-Sumter State College application for the specific position in which you are interested.

A resume, cover letter and unofficial transcripts must be submitted via email to jobs@lssc.edu for consideration.

Lake-Sumter State College serves over 7,500 students annually in Lake and Sumter counties in central Florida. Lake and Sumter counties offer its residents small town character, combined with the amenities of the major metropolitan city of Orlando while being just a stone’s throw away from Florida’s coastal beaches. As a three-campus institution our Leesburg, South Lake (Clermont) and Sumter (Sumterville) campuses have become viable assets in their communities. LSSC provides an accessible, affordable, and high-quality education that prepares students for transfer and career success, strengthens the regional workforce, and enriches the community.

We invite candidates to apply for our Instructor, Biology position. The Instructor will be responsible for planning and carrying out instructional duties which maximize student learning and teaching assigned courses in accordance with course descriptions. Schedule may include evenings, weekends, online instructions, or on multiple campuses. Our Faculty positions are 9 month (163 day) annual contract positions. Responsible for demonstrating LSSC’s core value of Service Excellence; respect, competence, responsiveness, and collaboration, in all interactions.

REQUIREMENTS: Candidates must possess a Master’s Degree from a regionally accredited institution, with a major in Biology, Botany, Environmental Science, Zoology, or a natural science related field or a Master’s degree plus 18 graduate semester hours in Biology, Botany, Environmental Science, Zoology, or a natural science related field and must be proficient in the use of technology. Previous college-level teaching experience is preferred. Strong communications and teamwork skills are required.

The college reserves the right to extend searches or, in event of transfer or budget cuts, to not offer the position.
