Violinist Aleksey Igudesman and pianist Hyung-Ki Joo are the inventive comic duo whose hilarious mix of music, pop culture and pure zaniness has won them fans of all ages and cultures worldwide. As evidence, their YouTube sketches have attracted close to 40 million viewers. The New York Times said of their artistry, “Their blend of classical music and comedy, laced with pop culture references and a wholly novel take on the word slapstick, is fueled by genuine, dazzling virtuosity.”
