Math: If not exempt from the placement test and developmental coursework, then completion of all required developmental courses that are indicated by the placement test scores. Test scores may be exempt if the applicant has transferable, college-level coursework in mathematics with grades of "C" or above.

Computer Proficiency: Must be demonstrated as required by LSSC in order to grant the Associate in Science degree. Successful completion of the institutional computer proficiency exam satisfies this requirement. Student may opt to substitute coursework as specified in the college Catalog and Student Handbook.

TOTAL PREREQUISITE & NURSING PROGRAM COURSES ..... 55

Articulated Credit.................................................. 17

PROGRAM TOTAL.............................................. 72

Articulation to Nursing (RN)

Applicants for the LPN Bridge program must have a valid, current Florida LPN license or Paramedic certification. Students accepted into this program will receive 17 articulated hours based on licensure or certification.

LSSC offers a Limited Access Associate in Science Degree in Nursing.

Graduates obtain licensure through successful completion of NCLEX-RN.

ACCREDITATION: Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850, Atlanta, GA, 30326, 407-975-5000 - LSSC Program of Associate Degree Nursing

Program tracks available:

BRIDGE- applicants hold current FL LPN licensure or paramedic certification.

GENERAL- applicants do not possess above licensure or certification.

Additional pre-application requirements posted at www.lssc.edu/academics/nursing Future Students page.

Direct questions about program requirements to LSSC Nursing Department. Direct questions about degree requirements to LSSC Academic Advising.

For information about career options, visit www.lssc.edu/careers.

Students must complete 25% of each program’s total credit hours at LSSC.
