Students may enroll in college for “audit” status if they do not wish to receive college credit. Audit students must register via LSSC’s web registration system.

1. Students must register during the regularly scheduled registration period.
2. Students should then submit this audit form prior to the end of add/drop in order to be changes to audit status. No changes will be permitted after the add/drop period ends.
3. As an audit student you must meet the admission requirements of the college, as well as any prerequisite requirements designated for the course.
4. Your fees and tuition are the same as for credit.
5. Student attendance and involvement in the course activities is designated by the course instructor.
