2020-2021 LAKE AND SUMTER COUNTY NON-PUBLIC DUAL ENROLLMENT AGREEMENT

I. THE DUAL ENROLLMENT PROGRAM

This Agreement is entered into by and between LONG NAME ("SHORT NAME") and Lake-Sumter State College District Board of Trustees ("LSSC"), collectively known as the “Partners,” concerning Advanced Instruction (Dual Enrollment). The Agreement shall govern the eligibility and enrollment of the students and the administration of the high school-based and college-based courses offered via Dual Enrollment effective July 1, 2020 and ending June 30, 2021.

Description of the Dual Enrollment program and the Agreement

The Dual Enrollment program allows for the enrollment of an eligible secondary student in postsecondary coursework creditable toward high school diploma requirements and an associate or baccalaureate degree. The program provides eligible secondary students the opportunity to take LSSC courses while concurrently enrolled in high school. Early Admission is a form of dual enrollment through which eligible high school students enroll at LSSC on a full-time basis in courses that are creditable toward the high school diploma and the Associate degree.

The purpose of the Agreement is to develop and implement a comprehensive acceleration program for private high school students, reducing the time needed to complete the requirements of a high school diploma and a college degree, broaden the scope of curricular options available to students, and increase the rigor and variety of course offerings available to students.

The Agreement delineates institutional responsibilities to inform students and parents about articulated acceleration program options, eligibility criteria to ensure college readiness, the process for monitoring student performance, and the criteria by which the quality of dual enrollment programs are to be judged. Via the provisions of this Agreement, the Partners are committed to sharing resources, forming partnerships with private industries, and implementing innovative strategies, student and faculty workshops, and parental involvement activities that serve the needs of the local community.

To the extent authorized by Florida law, the parties indemnify and hold harmless each other and/or all of its officers, employees, or agents from any and all suits, claims, demands, actions, causes of actions, judgments, liability, loss damage, attorney’s fees, court costs or expenses of any kind, which each party, its officers, employees or agents, may incur arising from the negligence of the other party during the performance of any provision of this Agreement or from the activities of the staff, students, and faculty, as aforesaid under the provisions of the Agreement.

Amendments to the agreement

The Agreement shall continue from July 1, 2020, and end June 30, 2021, and shall be revised and reviewed on an annual basis. The SHORT NAME Superintendent or designee, and the LSSC President or designee, shall conduct the annual renewal by presenting any revisions for the adoption to the respective boards. The Agreement, once signed by the Partners and submitted to the State, can only be amended in accordance with Florida Rules and will remain in effect throughout the academic year for which established. All parties agree to abide by any Florida Department of Education rule changes, regarding college credit Dual Enrollment; due to take effect during the relevant academic year. Should either of the Partners initiate a modification or amendment to the Agreement, SHORT NAME and LSSC will develop an action plan. The final amendment will go to both the SHORT NAME School Board and the LSSC Board of Trustees for formal approval.
II. STUDENT AND PARENT PARTICIPATION NOTIFICATION
Students and parents receive information concerning Dual Enrollment opportunities through the following:
individual student advisement with the School Counselor.

LSSC notifies students of the option to participate in Dual Enrollment during college informational events such as LSSC College Night. LSSC staff, including recruiters and the Dual Enrollment Staff, regularly visit local schools to share college and career program and enrollment information. LSSC also produces and distributes program eligibility and enrollment materials to School Counselors and students. Dual enrollment information and resources are also available on the LSSC dual enrollment webpage.

III. COURSES AND PROGRAMS AVAILABLE TO DUAL ENROLLMENT STUDENTS
The Partners will guide students toward courses that supplement rather than supplant what is available at the student’s school of record. LSSC will advise each student in the development of an LSSC Advising Guide that aligns Dual Enrollment and Early Admission course selections to high school and LSSC graduation requirements. The Partners will advise dual enrollment students to prioritize enrollment in academic core courses that meet educational degree objectives, transfer plan requirements, general education requirements and any prerequisite requirements for entrance into a selected baccalaureate degree program. The Partners will adhere to the Dual Enrollment Course – High School Subject Area Equivalency List in identifying LSSC college credit courses available to high school students through dual enrollment. LSSC does not offer all courses on the equivalency list and not all LSSC courses are offered each semester.

Courses and programs not available to dual enrollment students:
• LSSC independent study courses
• LSSC developmental education courses
• LSSC physical education skills courses
• LSSC’s Associate in Science in Nursing limited access program and Baccalaureate programs
• Dual Enrollment students are not permitted to audit any LSSC course

Magnets, Academies, Workforce demands and access to acceleration mechanisms
This Agreement does not include magnets or academies.

**Florida Department of Education Emergency Order 2020 EO-02**

In response to the COVID-19 public health crisis, the Commissioner of Education suspended the testing requirement for student eligibility for initial enrollment in college credit dual enrollment courses taken through December 31, 2020 provided in section 1007.271(3). Technical guidance was then subsequently provided by the Florida College System.

As a result, the following requirements for initial dual enrollment eligibility from 5/13/20-12/31/20 shall be in place and will supersede previous statutory requirements as outlined in the Emergency Order.

1) College credit: 3.0 unweighted high school GPA or Career certificate: 2.0 unweighted GPA.
2) Demonstrated readiness for college coursework as demonstrated through local measures on the PSAT/NMSQT, FSA scores, or EOC scores described below. All sections of a common placement test must be successfully completed, through scores on a single test or combination of tests, for dual enrollment participation.

3) Be a student in grades 6-12 in an eligible school.

4) Continued eligibility requires the maintenance of a 3.0 unweighted high school GPA (College credit) or a 2.0 unweighted high school GPA (Career certificate), and the maintenance of a minimum 2.0 LSSC cumulative GPA.

V. PROCESS TO PARTICIPATE IN DUAL ENROLLMENT

Established deadlines
Dual Enrollment student registration, course approval, fee payment, enrollment, add/drop, and withdrawal must comply with all LSSC policies and deadlines as published in the LSSC Catalog & Student Handbook and the LSSC webpage. Dual Enrollment students have the same registration dates as traditional degree-seeking students.

Admissions application forms
The School Counselor provides the LSSC Dual Enrollment Admissions Online Application to interested students meeting all dual enrollment eligibility requirements. There is no application fee for Dual Enrollment applicants.

Where to submit admissions application materials
Students submit the online LSSC Dual Enrollment Admissions Application, along with eligible placement test scores and high school GPA documentation by the posted application deadlines.

SHORT NAME students who do not have test scores outlined in the local measure may submit the Test Score Appeal Form in lieu of test scores. This form must be signed by the SHORT NAME Counselor or Principal and approves the student to enroll as a Dual Enrollment student without test scores.
Recommendations/signatures required for participation in Dual Enrollment
The LSSC Dual Enrollment Admissions Application must be signed by the student, the student’s parent/legal guardian, and the School Counselor.

Process by which students register for courses
Dual Enrollment students must register for courses online using LOIS, LSSC’s online course management system. All first-time Dual Enrollment students are required to complete the two part LSSC New Student Orientation Program (SOAR), during which students receive instructions on how to add and drop courses in LOIS.

Maximum course loads
Dual Enrollment students are permitted to enroll in a maximum of nine (9) credits per semester fall and spring semesters and seven (7) credits for summer semester (A, AE, and B combined). Early Admission students must enroll in a minimum of twelve (12) credits and may enroll in a maximum of eighteen (18) credits each fall and spring semester. Dual Enrollment and Early Admission students are not permitted to exceed 60 credit hours. Students seeking additional hours in order to fulfill graduation and/or degree requirements, may appeal through LSSC’s established credit overload process.

Course Approval
Once registered, Dual Enrollment and Early Admission students must seek course approval through their School Counselor by the posted first fee payment deadline. Students may register through the end of LSSC’s posted add/drop registration period. Courses not approved by the established deadline will be administratively dropped. Appeals for reinstatement will not be permitted. Students are responsible for all courses that they enroll in and are solely responsible for adding and dropping courses via LOIS by the add/drop deadline.

Process by which students withdraw from courses
Students must comply with the withdrawal policies and deadlines published in the LSSC Catalog & Student Handbook and the LSSC webpage.

Students withdrawing from a course during the LSSC withdrawal period will earn a “W” on the high school and the college transcripts. All grades, including "W" for withdrawal, become a permanent part of a student's high school and college transcripts and may affect subsequent postsecondary admissions and program eligibility.

To withdraw from or drop a course after the posted add/drop deadline, a student must submit a completed LSSC Course Withdrawal Form which is available at the LSSC Admissions and Records Office/Enrollment Services and on the LSSC Admission and Records Office website. The form must be signed by the student, the School Counselor and the LSSC Dual Enrollment staff, and submitted to the LSSC Admissions & Records Office/Enrollment Services by LSSC’s posted withdrawal deadline.

Initial Attendance
Students must attend the courses for which they are registered at least once during the first two weeks of any semester. Students enrolled in fully online courses must participate in an academic related activity (academic assignment) in order to satisfy initial attendance verification.

Students will be administratively dropped from the courses that they are not attending and received a WN grade on their transcript. Students who are administratively dropped due to non-attendance will not be permitted to re-enroll.
Second attempts
Students who earn a “D,” “F,” “W,” or “WN” in an LSSC course, will be permitted to enroll in one course for the subsequent semester if their GPA meets continued eligibility standards. The one course must be the same course in which they earned the “D,” “F,” “W,” or “WN”. Upon demonstration of acceptable academic performance (C or better), the student will once again qualify for regular Dual Enrollment and/or Early Admission maximum course loads. Students wishing to enroll in a second attempt who do not meet continued eligibility standards, may request a waiver through established process facilitated by their Counselor and LSSC Dual Enrollment Advisor.

Grade forgiveness
Dual Enrollment students withdrawing from or failing an LSSC course may retake a comparable high school course for grade forgiveness at the high school of enrollment in accordance with the SHORT NAME Grade Forgiveness/Credit Recovery Policy.

Upon graduation from High School, students may apply for readmission to LSSC as a degree-seeking student and retake the withdrawn course or failed course for grade forgiveness. Since grade forgiveness policies differ among postsecondary institutions, students planning to transfer to another college or university should contact the appropriate postsecondary institution for grade forgiveness policy information.

Grades
LSSC faculty members assign letter grades (A, B, C, D, and F) to all LSSC courses available for dual enrollment. Dual Enrollment students access final grades via the LOIS course management system. All decisions and actions related to final course grades must be consistent with LSSC’s Standards of Academic Progress, rules, and procedures posted in the LSSC Catalog & Student Handbook. Once LSSC assigns grades, the school of record cannot make any grade changes when recording or posting grades to the high school transcript. The school of record records the Dual Enrollment credit and letter grade on the school transcript. In rare cases, a student may appeal after final grades have posted for a late withdrawal or administrative drop. In these cases, LSSC will work directly with the school of record to provide necessary documentation for the necessary change to the secondary school transcript.

A grade of “C” or higher proves satisfactory completion of a course fulfilling the Gordon Rule Requirement and earning postsecondary credit. A grade of “D” or higher proves satisfactory completion of coursework for high school diploma requirements and high school credit is awarded. However, a grade of “D” or higher may not satisfy LSSC degree requirements but credits will be awarded. Other postsecondary institutions may or may not award/transfer credit for a grade of “D”. Students should contact the appropriate postsecondary institution for transferability of credit. A grade of “I” may be assigned in extreme circumstances. Incomplete “I” grades not completed within LSSC’s designated timeframe automatically convert to an “F” grade on both the high school and college transcripts and calculate as “F” in computing both the high school and the college GPAs. Withdrawals (“W”) are not included in calculating the high school or college GPA.

Students wishing to appeal a course grade must follow LSSC’s grade grievance procedures as described in the LSSC Catalog & Student Handbook.

Dual Enrollment students who believe it necessary to withdraw from a course or who failed a course due to extenuating circumstances may appeal to the LSSC Associate Dean of Students using LSSC’s administrative appeal process outlined in the LSSC Catalog & Student Handbook.

VI. HIGH SCHOOL CREDIT DUAL ENROLLMENT COURSE EQUIVALENCY
Under Dual Enrollment, approved LSSC courses will be used to fulfill academic or academic elective credit requirements for high school graduation. All LSSC courses available to dual enrollment students are included in
the Dual Enrollment Course – High School Subject Area Equivalency List and, as such, upon successful completion, credits apply to high school diploma coursework requirements.

**Alternative Credit**
LSSC will accept alternative credit from a variety of methods including, but not limited to, Advanced Placement (AP), International Baccalaureate (IB), Cambridge Advanced International Certificate of Education (AICE), and CLEP. For a list of alternative ways to earn college credit, visit the LSSC Catalog and Student Handbook. Students may only earn college credit or alternative credit, not both.

**Transfer Guarantees**
The Florida Department of Education “Statement on Dual Enrollment Transfer Guarantees” is available at http://www.fldoe.org/policy/articulation.

**VII. COLLEGE-LEVEL EXPECTATIONS**
All LSSC courses meet curricular and rigor expectations as non-Dual Enrollment postsecondary instruction. All Dual Enrollment students receive information concerning college-level course expectations and LSSC General Education Requirements in New Student Orientation (SOAR), on the College’s and dual enrollment program’s web pages, in the LSSC Catalog & Student Handbook and during individual academic advising sessions with LSSC Academic Advisors.

**Academic Advising**
School Counselors and LSSC Academic Advisors provide academic advisement and guidance services to Dual Enrollment and Early Admission students. These services may include but are not limited to: individual and/or classroom guidance, college workshops and college transition resources, college majors and prerequisite information, and weighting systems.

The New Student Orientation (SOAR) program is a cornerstone of the academic advising relationship established between Dual Enrollment students and LSSC’s Staff. Dual Enrollment students are required to participate in LSSC’s two-part SOAR program prior to beginning Dual Enrollment coursework. Each Dual Enrollment student receives an “Advising Guide” and will be notified of the online LSSC Catalog & Student Handbook at SOAR.

LSSC will advise each student in the development of an LSSC Advising Guide that aligns course selections to high school and LSSC graduation requirements, educational degree objectives, transfer plan requirements, general education requirements, and any prerequisite requirements for entrance into a selected baccalaureate degree program. The Advising Guide will be utilized in all subsequent LSSC academic advising sessions.

Students are advised of the expectations for continued Dual Enrollment eligibility during individual advising sessions with the School Counselors and with the LSSC Dual Enrollment staff. Dual enrollment and Early Admission students are encouraged to meet with LSSC Academic Advising prior to initial registration and at least once per semester. The student is responsible for scheduling any meetings with LSSC Academic Advisors.

The LSSC Dual Enrollment and Academic Advising Staff advises students of the following LSSC academic expectations:

- College courses permitted under Dual Enrollment must meet postsecondary course content requirements as specified in the Statewide Course Numbering System.
- College courses become part of a student’s permanent college transcript and are calculated into the student’s permanent postsecondary GPA.
- Two to three hours of homework are expected for each hour spent in a classroom setting.
– College assignment deadlines are firm. Students are expected to complete and submit all assignments by the deadlines listed on the course syllabus. Instructors are not required to accept nor grade any late assignment.
– Gordon Rule courses require completion with a grade of “C” or higher.
– Course syllabi are available for students to review by contacting the course instructor during the add/drop period each semester and on Canvas.
– Course descriptions are available in the LSSC Catalog & Student Handbook.
– All LSSC students will be exposed to a learning environment promoting the open exchange of ideas.
– LSSC course content is presented on an adult level and classroom discussions require a mature understanding of divergent viewpoints and the ability to think analytically. Courses will not be modified to accommodate variations in student age and/or maturity.
– Courses will not be modified to accommodate variations in student age and/or maturity.
– All LSSC students are free to access the Internet without restrictions per LSSC rules.

FERPA GUIDELINES
FERPA (Family Educational Rights and Privacy Act) is a federal law that protects the privacy of student educational records. Even though dual enrollment school students may be considered “dependent minors”, under (FERPA) they have rights to privacy in all matters relating to their collegiate educational record. Generally, LSSC, including the faculty members, will not release information relating to protected student information to non-LSSC officials without the student’s written consent. The practice of not releasing information extends to the release of information to parents and guardians. Information may not be released to parents or guardians unless the student has signed the LSSC FERPA waiver form.

VIII. EXCEPTIONS TO THE REQUIRED GRADE POINT AVERAGES
There are no exceptions to the required grade point average for Dual Enrollment eligibility.

IX. POSTSECONDARY REGISTRATION POLICIES

Academic deadlines
All academic deadlines are posted in the LSSC Catalog & Student Handbook, the Dual Enrollment New Student Orientation Course Registration Guide and the LSSC’s homepage. Dual enrollment students must comply with all policies and deadlines published in the LSSC Catalog & Student Handbook. All schools maintain a website that includes a link to the LSSC dual enrollment webpage.

Process by which students add/drop courses
Students are solely responsible for adding and dropping classes in LOIS, LSSC’s online course management system. Students dropping a course during the posted add/drop period may register for that course in a subsequent semester. Courses dropped during the LSSC add/drop period do not appear on transcripts. Students who seek course approval from their School Counselor and LSSC Academic Advisor by posted deadlines may modify LSSC course schedules during the posted add/drop period. Courses that are not approved by the fee payment deadline and/or add/drop deadline will result in the student being administratively dropped from the non-approved courses.

X. EXCEPTIONS TO FACULTY PROFESSIONAL RULES, GUIDELINES, AND EXPECTATIONS
There are no exceptions to the rules, guidelines, and expectations, as stated in the faculty handbook or student handbook, which apply to faculty members.

XI. FACULTY CREDENTIALS AND INTEGRITY OF COURSE CONTENT

Qualifications and selection of instructors
All LSSC faculty teaching must meet the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) requirements/guidelines for postsecondary instructors with a minimum of a master’s degree in the teaching discipline or a master’s degree with 18 graduate semester hours in the teaching discipline. LSSC is responsible for ensuring that all Dual Enrollment courses are taught by qualified faculty in accordance with the requirements noted in the SACSCOC Faculty Credentials Guidelines.

Assessment of instructors
All LSSC courses are taught according to the approved Master Course Outline and course syllabus template. The evaluation process, including the use of LSSC’s standard evaluation instruments and any follow-up with the instructor, will be conducted in the same manner as would be the case for any LSSC adjunct faculty member.

XII. STUDENT ELIGIBILITY AND PERFORMANCE MONITORING

Student eligibility screening
The School Counselors verify high school GPA, college placement test scores, and academic standing.

Ongoing monitoring for continued participation in Dual Enrollment & Early Admission
Students seeking to continue taking LSSC academic credit through Dual Enrollment must maintain a minimum 3.0 unweighted cumulative high school GPA and a 2.0 unweighted cumulative LSSC GPA. Early Admission students must maintain a 3.0 unweighted high school GPA and 3.0 cumulative LSSC GPA for continued eligibility. School Counselors confirm high school GPA eligibility before approving student courses each semester.

School Counselors and LSSC Dual Enrollment staff monitor student GPA’s and collaboratively review and maintain student records to ensure continued Dual Enrollment eligibility. Students who do not meet either the high school or college GPA requirement will not be eligible to continue Dual Enrollment or participation. A student that no longer meets the Early Admission high school or college GPA requirements may continue through dual enrollment as long as the student meets the dual enrollment criteria. The LSSC Dual Enrollment staff will alert students and School Counselors of student GPA changes resulting in a loss of dual enrollment eligibility.

It is the responsibility of the Dual Enrollment student to inform LSSC Admissions and Records if they transfer schools (public, private, and home education) from their initial school at time of application.

Student behavior and suspension/expulsion policy
Dual enrollment students, including Early Admission, must adhere to both the SHORT NAME and LSSC Student Codes of Conduct. All dual enrollment students assume the responsibility to become familiar with and to abide by LSSC Student Rights and Responsibilities as defined by the College Administrative Policies and Procedures and referenced in the Student Code of Conduct in the LSSC Catalog & Student Handbook. The School Counselors and LSSC Dual Enrollment staff will provide timely notification of any Dual Enrollment student suspended or expelled from either the school of record or from LSSC. In cases where a student is suspended from the school of record, the student may not attend LSSC courses and activities during the suspension period. In cases of expulsion from the school of record, the student may not enroll in or attend LSSC courses or activities during the expulsion period.

Students who conduct themselves in a manner disruptive to the LSSC learning environment may be subject to disciplinary action which could result in a loss of Dual Enrollment eligibility. Students in violation of LSSC’s Student Code of Conduct are subject to disciplinary action that could affect high school and post-secondary graduation, scholarship eligibility, grade point average, and future postsecondary transfer and career plans. Dual Enrollment students submitting forms with forged parent/legal guardian and/or School Counselor
signature and/or falsified information forfeit Dual Enrollment eligibility for one full LSSC semester. Subsequent infractions of this nature will result in permanent loss of Dual Enrollment eligibility.

XIII. TRANSMISSION OF STUDENT GRADES
LSSC collects and shares grade data with the SHORT NAME using a secure online system. The SHORT NAME will distribute LSSC grades to the school of record. The school record inputs the LSSC course letter grade on the high school transcript. In addition to end of the semester grade reporting, upon request LSSC will provide SHORT NAME with student academic progress feedback from the LSSC Starfish system at designated points in the semester (fall, spring, and summer).

XIV. FUNDING PROVISION AND COSTS INCURRED BY EACH ENTITY

Registration, matriculation and laboratory fees
Per §1007.27 (2), dual enrollment students shall be exempt from the payment of registration, matriculation and laboratory fees.

Textbook, electronic access codes and other course materials
Dual enrollment Non‐Public students are financially responsible for textbooks and electronic access codes as well as registering in courses requiring additional materials such as calculators, safety glasses, clickers, uniforms, safety shoes, kits, etc. purchase such ancillary materials at the student’s expense.

Instructional cost arrangements
Per §1007.271 (21) (n) (1), F.S. Dual Enrollment programs, SHORT NAME shall pay the standard tuition rate per credit hour ($71.98) to LSSC for enrollment in the fall and spring semesters. SHORT NAME will not be invoiced for enrollments during the summer semester (A, AE & B). LSSC shall provide SHORT NAME an itemized tuition invoices following established LSSC third party billing procedures and timelines.

XV. STUDENT TRANSPORTATION
Dual Enrollment students are responsible for arranging and paying for transportation to and from LSSC as well as all other Dual Enrollment related transportation. Parents/guardians assume all financial responsibility and liability for Dual Enrollment related transportation.

XVI. RESOURCES AVAILABLE TO STUDENTS WITH DISABILITIES
LSSC provides qualified students with academic accommodations to ensure full participation in and equal access to educational opportunities while enrolled at the College. The student’s existing Individual Education Program (IEP) should continue to be utilized to provide academic accommodations and support for all high‐school based courses. Dual Enrollment students seeking academic accommodations for college‐based or online courses should register with LSSC’s Student Accessibility Services office, in order to determine eligibility for services and submit valid disability documentation for review and processing.

XVII. ADDITIONAL POLICIES AND PROCEDURES

Attendance requests related state-mandated end-of-course assessments
Dual enrollment students must contact their LSSC faculty two weeks in advance to request accommodations for missed class and/or assignments due to a scheduled Advanced Placement (AP) exam or state mandated end-of-course (EOC) assessment.

Background investigations
LSSC represents and warrants to the SHORT NAME that it has read and is familiar with §1012.315, 1012.32, 112.465, 1012.467, and 1012.468 regarding background investigations. LSSC covenants to comply with all
requirements of the above-cited statutes and shall provide the SHORT NAME with proof of compliance upon request. To the extent permitted by and subject to the limitations specified in §768.28, LS F.S.
