REFERENCE: Strategic Planning and Evaluation Guidelines

1. The District Board is committed to a strategic planning and institutional effectiveness process for Lake-Sumter State College that is congruent with the requirements specified by the Florida College System and the Southern Association of Colleges and Schools.
2. The College shall utilize a planning horizon of a three to five year Strategic Plan as a general process to develop and maintain its Vision, Mission and Goals. This Plan shall be reviewed annually and reported to the District Board. The process used in its development, evaluation, and revision shall involve representatives from all areas and functions of the College and be broad-based and comprehensive.
3. The goals of the Strategic Plan shall guide the development of an Annual Plan detailing specific Actions and Division Initiatives. Responsible areas and measurement criteria shall be listed for each of the actions in the Annual Plan.
4. The District Board charges the President with developing detailed procedures to implement this Rule.
