REFER TO ADMINISTRATIVE PROCEDURE 3-04

Students desiring to complete an Associate in Arts degree or to transfer to the upper division of a state university in Florida, must comply with the Gordon Rule requirements in writing and mathematics, and meet the requirements for College Level Academic Skills (CLAS) as determined by Lake-Sumter State College.

The President is authorized to develop priorities to establish requirements.

Students may fulfill the requirements by earning a 2.5 GPA on selected (Gordon Rule required) English and math courses, or by having passing scores on an Advanced Placement exam.
