**HISTORY:** New – 5/19/99  
Amended – 3/17/09

**DATE ADOPTED:**

3/17/09

---

Lake-Sumter State College shall provide career development services for students, alumni, employees, and members of the community through Student Development.

Career development services will include resources to help individuals understand their interests, values, and skills related to work; develop realistic career goals; gain career-related work experiences; build effective job search skills; and pursue appropriate academic credentials for meeting career goals.
