REFERS TO ADMINISTRATIVE PROCEDURE NUMBER 6-05

a. Professional Organizations:

Membership of employees in professional organizations is encouraged at Lake-Sumter State College. The President reserves the right to approve College payment of membership dues which are considered a benefit to the college. Otherwise, payment of membership dues is the responsibility of the employee.

b. Institutional Memberships:

Institutional membership in professional organizations may be financed by the College's funds upon the approval of the President.

The President shall designate employees to represent the College in such organizations, except for those involving the District Board which shall appoint its own representatives.
