

Summer
2019!

As we wrap up the school year, we want to express our pride for our graduating seniors. This year, we had 31 students graduate from our programs with a GPA of 4.0-5.0. This is a fantastic accomplishment. Congratulations to all of our graduating seniors!

Both UB and TS are gearing up for out-of-state travel this summer. Both programs will be headed to Chicago, Illinois, from June 4-6 for a STEM (Science, Technology, Engineering, Math) trip. While in the “Windy City”, students will visit the Museum of Science and Industry, The Shedd Aquarium, Millennium Park, The Shoreline Architecture Tour, and see a historical 1920’s musical comedy re-view.

Talent Search will also be visiting Atlanta, Georgia, for a multi-college tour.

We wish everyone a healthy, happy, safe summer! Please reach out to us if we can be of assistance in any way.
