Your Subsidized Loan eligibility should have been included in your initial award and you can accept that loan via your LOIS account. This form should be used to request an Unsubsidized Direct Loan to be awarded or if applicable to increase an already awarded loan.

You must be enrolled and attending a minimum of 6 credit hours to be eligible for Federal Direct Loans.

There are limits on the amount of Direct Subsidized and Unsubsidized loans that you may be eligible to receive each academic year (annual loan limits) and the total amounts that you may borrow for undergraduate and graduate study (aggregate loan limits). The actual loan amount you are eligible to receive each academic year may be less than the annual loan limit. These limits vary depending on:

- what year you are in school and
- whether you are a dependent or independent student

Enter below your name, student XID, semester(s) you are requesting the Unsubsidized Direct Loan for and the amount of the loan you are requesting. Fill in only the section that applies (Dependent or Independent) and enter the requested loan amount in the line that corresponds with your grade level.
