

INCLUSIVE WEBSITE EXPERIENCE

Lake-Sumter State College is committed to ensuring that all students and visitors, including persons with disabilities, are able to access and use all of our services, programs and activities. We recognize that many individuals are increasingly using our website to access information and obtain services.

We understand that website users who have disabilities may use the website with the assistance of technology, including screen readers, captioning, transcripts, and other auxiliary aids and services. We are committed to providing all website users with information about our services and alternative ways we can offer these services.

Lake-Sumter State College is committed to making our websites accessible to all audiences. We are continually seeking solutions to improve LSSC.edu. Our website offers a wide range of information, and we recognize that for users with disabilities, some material on our site may pose challenges. If there are changes we can make to our website to make it easier to use, or if you encounter material or services that you cannot access, please let us know. Your feedback helps us to identify areas where we can improve.

We strive to ensure that our website will comply with Web Content Accessibility Guidelines (WCAG) put forth by the World Wide Web Consortium (W3C), but recognize that alternatives to using the website should be available in the event that a user with a disability encounters a problem using our website.

If you are unable to access information or documents posted on this website, please send us an email at websupport@lssc.edu with as much of the following information as possible:

- Your name
- Your phone number
- Your email address
- The date and time you encountered the problem
- The web page or address where the problem occurred
- What occurred or what you were unable to do
- Any error messages you received.
